

Table 2:

**Additional Liberalization Measures under Cross-border Services
(Positive List)¹**

Sectors or Sub-sectors	1. Business services
	A. Professional services
	a. Legal services (CPC861)
Specific commitments	To allow Macao service suppliers who have acquired Mainland lawyer qualifications to act as agents in civil litigation cases relating to Macao residents and juridical persons, according to the specific scope of permitted business provided in the “Notice of the Ministry of Justice of the People’s Republic of China” (No. 136).

¹ Under the cross-border services mode, the liberalization commitments by the Mainland to Macao service suppliers in Guangdong Province will keep adopting Positive List to set out the additional liberalization measures. The existing commitments involving cross-border services under CEPA and its supplements are still valid and will continue to be implemented. In the event that they are in conflict with the Annex to this Agreement, the Annex to this Agreement shall prevail.

Sectors or Sub-sectors	1. Business services
	A. Professional services
	b. Accounting, auditing and bookkeeping services (CPC862)
Specific commitments	When Macao residents who have obtained the Chinese Certified Public Accountants (CPAs) qualification apply to become partners of accounting firms in the Guangdong Province, the length of auditing experience that they have acquired in Macao is considered equivalent to the length of auditing experience acquired in the Mainland.

Sectors or Sub-sectors	1. Business services
	A. Professional services
	d. Architectural services (CPC8671) e. Engineering services (CPC8672) f. Integrated engineering services (CPC8673) g. Urban planning and landscape architectural services (CPC8674)
Specific commitments	<ol style="list-style-type: none"> Regarding the elective courses of continuing education which class 1 registered structural engineers have to take, Macao service suppliers are allowed to complete the courses in Macao or to be taught by teachers sent from the Mainland. The arrangements for taking the elective courses of continuing education are subject to the approval of the Mainland authorities. Regarding the elective courses of continuing education which supervision engineers have to take, Macao service suppliers are allowed to complete all the courses in Shenzhen Municipality. When Macao service suppliers set up construction and engineering design enterprises in Guangdong Province, they are allowed to employ architects and structural engineers registered in Macao (who have not yet obtained the relevant professional qualifications in the Mainland), who may be regarded as key professional and technical personnel, but not registered personnel, in assessing the enterprise qualifications. When foreign wholly-owned or joint-venture urban-rural planning enterprises declare their enterprise qualifications in Guangdong Province, Macao professionals in their employment, who have obtained Mainland's registered planner qualification through mutual recognition, can be regarded as

	essential registered personnel during the assessment.
--	---
