### Liberalization measures under the CEPA Amendment Agreement

1. To remove the restriction on the number of Macao people participating as principal creative personnel in online television dramas.
2. Television dramas co-produced by the Mainland and Macao are permitted to be broadcast and distributed in the same way as Mainland-produced television dramas after being examined by the relevant Mainland provincial radio and television administration.
3. For any proposal of television drama to be co-produced by the Mainland and Macao programme production organizations, the minimum number of words in Chinese contained in the synopsis of each episode is 800.
4. To allow imported dramas produced in Macao to be broadcast during prime time in television stations in the Mainland after obtaining approval from the National Radio and Television Administration.
5. To allow terrestrial and satellite television channels in Macao to obtain the landing right to broadcast within specific areas such as hotels, guesthouses, etc. in the Mainland after obtaining approval from the National Radio and Television Administration.
