Procedures for Re-applying for Macao Investor Certificate

Macao enterprises which have already obtained a Macao Investor Certificate can apply for an unlimited number of Certificates for the same area of investment.

The following requirements must be met:

- The application is made to the DSEDТ by the enterprise within 3 months upon obtaining the Certificate for the first time
- The shareholding structure and operating status of the applicant enterprise remain as provided during the first submission

Procedures:

- Applicant enterprises shall complete a **Re-application Form for Macao Investor Certificate** and submit it to the DSEDТ's Regional Cooperation Information Centre together with **Declaration Forms** that correspond to the number of Certificates requested, notarised in Chinese by the Public Notary Office of Macao, and verified by China Legal Service (Macao) Limited with seal affixed, and a **copy of the Macao Investor Certificate** issued for the first time;
- An application submitted after 3 months from the date the Certificate is obtained for the first time will not be considered as a re-application. Applications for the same area of investment submitted afterwards will be considered as new applications. (Once approved, the date of obtaining of the Certificate for which the new application was made will be considered as the first obtaining, from which the three-month period will be counted);
- An application for a Macao Investor Certificate for another area of investment submitted by an enterprise that has already obtained a Macao Investor Certificate for a certain area of investment will be considered as a new application.
