Table 2

**Liberalisation Measures under Cross-border Services
(Positive List)**

Sectors or Sub-sectors	1. Business services
	A. Professional services
	a. Legal services (CPC861)
Specific commitments	<p>1. To allow Mainland law firms to employ Macao practising lawyers. Such practising lawyers who are employed by Mainland law firms must not handle matters of Mainland law.</p> <p>2. To allow Macao practising lawyers to be employed as legal consultants by not more than 3 Mainland law firms simultaneously.</p> <p>3. To allow Macao permanent residents with Chinese citizenship to sit the Unified Legal Professional Qualification Examination in the Mainland and acquire legal professional qualification in accordance with the “Implementation Measures for the National Unified Legal Professional Qualification Examination”.</p> <p>4. To allow those who have acquired Mainland legal professional qualification under item 3 above to engage in non-litigation legal matters in Mainland law firms in accordance with the “Law of the People's Republic of China on Lawyers”.</p> <p>5. To allow Macao practising lawyers to obtain practice qualification in the nine Pearl River Delta municipalities of the Guangdong-Hong Kong-Macao Greater Bay Area</p>

by passing a special examination and to engage in matters on specific areas of Mainland law.

6. A Macao resident who is allowed to practise in the Mainland will practise in one Mainland law firm only, and will not simultaneously be employed by the representative office set up by a law firm of a foreign country in the Mainland, or the representative office set up by a law firm of Macao or Macao in the Mainland.

7. The approval requirement for the employment of Macao practising lawyers as legal consultants will be changed to filing procedures. Annual registration is not required.

8. Macao practising lawyers providing professional assistance at the request of Mainland law firms on the basis of individual cases will not be required to apply for a Macao legal consultant permit.

9. To allow Macao residents who have acquired Mainland lawyer qualifications or legal professional qualifications and hold a Mainland lawyer's practice certificate to engage in activities as agents in civil litigation cases relating to Macao in the capacity of Mainland lawyers, according to the specific scope of permitted business provided in the relevant provisions of the judicial administrative authority.

10. To allow Macao practising lawyers to act as agents in civil litigation cases in the Mainland in the capacity of citizens¹.

11. To allow Macao practising lawyers who have at least 5 years' experience in legal practice and who have passed the Unified Legal Professional Qualification

¹ Should comply with the requirements set out under Article 58 of the Civil Procedure Law of the People's Republic of China.

	<p>Examination in the Mainland to undergo the intensive training offered by lawyers associations in the Mainland that lasts for at least 1 month in accordance with the “Law of the People’s Republic of China on Lawyers” and the provisions of the “Rules on Management of Internship for Application for Legal Practice” drawn up by the All-China Lawyers Association. Upon completion of the training and passing the assessment, they can apply to practise as lawyers in the Mainland.</p> <p>12. To waive the residency requirement in the Mainland for representatives stationed in representative offices of Macao law firms in the Mainland.</p>
--	---

Sectors or Sub-sectors	<p>1. Business services</p> <p>A. Professional services</p> <p>b. Accounting, auditing and bookkeeping services (CPC862)</p>
Specific commitments	<p>1. Macao auditors and accountants who have already qualified as Chinese Certified Public Accountants (CPAs) and practised in the Mainland (including partnership) are treated on par with Chinese CPAs in respect of the requirement for annual working period in the Mainland.</p> <p>2. To allow consultancy companies in the Mainland established by Macao auditors and accountants that have satisfied the requirements of the Mainland's "Provisional Measures for the Administration of the Provision of Bookkeeping Services" to provide bookkeeping services. The person in charge of the bookkeeping services should hold the relevant Mainland's professional qualification (professional title) of accountant or above, or be in practice of accounting for not less than three years and be a full-time practitioner. Macao auditors and accountants providing bookkeeping services should fulfil the relevant requirements set by the responsible Mainland financial ministries.</p> <p>3. When Macao auditors and accountants apply for a practising licence in the Mainland, the length of auditing experience that they have acquired in Macao is equivalent to the length of auditing experience acquired in the Mainland.</p> <p>4. The validity period of the "Provisional Licence to Perform Audit-Related Services", applied for by Macao auditing firms and auditors for the purpose of conducting auditing business on a temporary basis in the Mainland, is extended to five years.</p>

	<p>5. To permit the setting up of an examination centre in Macao for holding the Mainland's Accounting Professional Technician Qualification Examination.</p> <p>6. To suitably simplify the documentation requirements for applications for conducting business on a temporary basis in the Mainland by Macao accounting firms.</p> <p>7. When Macao permanent residents who have obtained the Chinese Certified Public Accountants (CPAs) qualification apply to become partners of accounting firms in the Mainland, the length of auditing experience that they have acquired in Macao is considered equivalent to the length of auditing experience acquired in the Mainland.</p>

Sectors or Sub-sectors	<p>1. Business services</p> <hr/> <p>A. Professional services</p> <hr/> <p>d. Architectural services (CPC8671) e. Engineering services (CPC8672) f. Integrated engineering services (CPC8673) g. Urban planning and landscape architectural services (CPC8674) Including Construction engineering cost consulting services</p>
Specific commitments	<p>1. To relax the requirement of residence in the Mainland for Macao professional and technical staff by counting their period of residence in Macao as equivalent to their period of residence in the Mainland.</p> <p>2. Macao professionals, who have obtained Mainland's construction supervision engineer qualification, are allowed to register and practise in the Mainland regardless of whether they are registered in Macao or not. They are recognised as registered practitioners for the purpose of declaration of supervision enterprise qualifications within the Mainland, in accordance with the relevant Mainland regulations.</p> <p>3. Macao professionals, who have obtained Mainland's class 1 registered architect qualification, are allowed to act as partners to set up construction and engineering design offices in the Mainland in accordance with the relevant qualification requirements. For these enterprises, there is no restriction on the ratio of the number of the Macao partners to the number of the Mainland partners, the ratio of the total capital contributed by the Macao partners to that by the Mainland partners, and the period of residence in the Mainland for the Macao partners.</p>

- | | |
|--|---|
| | <p>4. Macao professionals, who have obtained through examination Mainland's registered architect qualification, are allowed to register and practise in the Mainland regardless of whether they are registered practitioners in Macao. They are recognised as registered practitioners for the purpose of declaration of engineering design enterprise qualifications within the Mainland, in accordance with the relevant Mainland regulations.</p> <p>5. Macao professionals, who have obtained Mainland's class 1 registered structural engineer qualification, are allowed to act as partners to set up construction and engineering design offices in the Mainland in accordance with the relevant qualification requirements. For these enterprises, there is no restriction on the ratio of the number of the Macao partners to the number of the Mainland partners, the ratio of the total capital contributed by the Macao partners to that by the Mainland partners, and the period of residence in the Mainland for the Macao partners.</p> <p>6. Macao professionals, who have obtained through examination Mainland's registered structural engineer, registered civil engineer (harbour and waterway), registered public facility engineer, registered chemical engineer or registered electrical engineer qualification, are allowed to register and practise in the Mainland regardless of whether they are registered practitioners in Macao. They are recognised as registered practitioners for the purpose of declaration of engineering design enterprise qualifications within the Mainland, in accordance with the relevant Mainland regulations.</p> <p>7. When Macao service suppliers set up construction</p> |
|--|---|

and engineering design enterprises in the Mainland, they are allowed to employ architects and structural engineers registered in Macao (who have not yet obtained the relevant professional qualifications in the Mainland), who may be regarded as key professional and technical personnel, but not registered personnel, in assessing the enterprise qualifications (assessment of the qualifications for key professional and technical personnel is limited to their academic qualifications, years of practice in construction design, Macao registration qualifications, performance and reputation in the construction design sector, etc. but not their titles).

8. Regarding elective courses of the continuing education which Mainland's registered architects have to attend, Macao service suppliers are allowed to complete elective courses in Macao or to be taught by Mainland teachers in Macao. The arrangement for conducting elective courses of the continuing education must be recognised by the Mainland authorities.
9. When foreign wholly-owned or joint-venture urban-rural planning enterprises declare their enterprise qualifications, Macao professionals in their employment, who have obtained Mainland's registered planner qualification through mutual recognition, can be regarded as essential registered personnel during the assessment.
10. Regarding the elective courses of continuing education which class 1 registered structural engineers have to take, Macao service suppliers are allowed to complete the courses in Macao or to be taught by teachers sent from the Mainland. The arrangements for taking the elective courses of continuing education are subject to the approval of

the Mainland authorities.

11. Regarding the elective courses of continuing education which supervision engineers have to take, Macao service suppliers are allowed to complete all the courses in Shenzhen Municipality.
12. Regarding the mandatory courses of continuing education for construction-related professional qualification, Macao service suppliers are allowed to complete all the courses in Macao.
13. To allow contractual service providers employed by Macao service suppliers, in the mode of movement of natural persons, to provide services under this sector or sub-sector in the Mainland.
14. To allow professionals who obtained the qualification of General Practice Surveyors in Macao to directly register for practice in Qianhai of Shenzhen, Hengqin of Zhuhai and Nansha of Guangzhou and enable them to provide real estate appraisal services without the need to obtain professional qualification in the Mainland through mutual recognition.

Sectors or Sub-sectors	1. Business services
	A. Professional services
	h. Medical and dental services (CPC9312) j. Services provided by midwives, nurses, physiotherapists and para-medical personnel (CPC93191) Including Pharmaceutical services

	Hospital services (CPC9311) Convalescent hospital services

Specific commitments	<ol style="list-style-type: none"> 1. Statutory healthcare professionals ^① who are registered to practise in Macao are allowed to provide short-term services in the Mainland. 2. The maximum duration of the short-term practice is three years. On expiry, new application procedures should be made for renewing the short-term practice. 3. Macao permanent residents who are legally eligible to practise western medicine, dentistry and Chinese medicine in the Macao Special Administrative Region are not required to sit the Mainland's qualification examination for the purpose of short-term practice in the Mainland. 4. To allow Macao permanent residents who are legally eligible to practise western medicine and dentistry in Macao to, after having been practising in Macao for
----------------------	---

^① Under the legislation of Macao, the 12 types of statutory healthcare professionals include Medical Practitioners, Chinese Medicine Practitioners, Chinese Medicine Physicians, Dentists, Odontologists, Pharmacists, Pharmacy Technical Assistants, Nurses, Therapists, Masseurs, Acupuncturists and Diagnostic and Therapeutic Support Technicians.

one year, sit the Mainland's medical qualification examination (excluding Chinese medicine practitioners). A "medical practitioner's qualification certificate" of the Mainland will be issued to those who pass the examination.

5. To allow Macao permanent residents, who are legally eligible to practise western medicine, dentistry and Chinese medicine in Macao and have been practising in Macao for more than five years, to set up clinics in the Mainland upon acquiring the "medical practitioner's qualification certificate" of the Mainland. Matters relating to the setting up of clinics, such as application and registration, shall be handled in accordance with the relevant Mainland's regulations.
6. To allow Macao permanent residents in possession of a medicine degree or above of the Mainland to sit the Mainland's qualification examination after they have completed one-year uninterrupted internship under the supervision of a practising doctor in a tier 3 (tertiary) hospital and passed an assessment, or after they have become legally eligible to practise in Macao and have been practising for more than one year. A "medical practitioner's qualification certificate" of the Mainland will be issued to those who pass the examination.
7. To allow Macao permanent residents in possession of a dental degree or above of the Mainland to sit the Mainland's dental qualification examination after they have completed one-year uninterrupted internship under the supervision of a practising dentist in a tier 3 (tertiary) hospital and passed an assessment, or after they have become legally eligible to practise in Macao and have been practising for more than one year. A "medical

(dental) practitioner's qualification certificate" of the Mainland will be issued to those who pass the examination.

8. To allow Macao permanent residents who have acquired a Chinese medicine degree from the Macau University of Science and Technology and are legally eligible to practise in Macao to sit the Mainland's qualification examination on the condition that they have completed one-year internship in the Mainland and passed an assessment in accordance with the relevant requirements, or that they have been practising in Macao for more than one year. A "medical (traditional Chinese medicine) practitioner's qualification certificate" of the Mainland will be issued to those who pass the examination.

9. To allow Macao permanent residents who are in possession of a Chinese medicine higher degree from a full-time tertiary institution approved by the Education Administration Department of the Mainland State Council to sit the Mainland's medical qualification examination after they have become legally eligible to practise in Macao and have been practising for more than one year. They may also sit the Mainland's medical qualification examination after they have completed one-year internship in the Mainland and passed an assessment in accordance with the relevant requirements. A "medical (traditional Chinese medicine) practitioner's qualification certificate" of the Mainland will be issued to those who pass the examination.

10. The categories of medical qualification examinations that Macao permanent residents may apply to sit are clinical medicine, traditional Chinese medicine and dental medicine.

11. Qualified Macao permanent residents with Chinese citizenship are allowed to apply for and obtain the Mainland's "medical practitioner's qualification certificates" through accreditation.
12. To allow Macao permanent residents who are licensed Macao pharmacists and who fulfil the application criteria under the Mainland's Provisional Regulations on Licensed Pharmacists Qualification System (No. 34[1999] of the State Food & Drug Administration) to sit the Mainland's licensed pharmacists qualification examination. A "licensed pharmacist's qualification certificate" of the Mainland will be issued to those who pass the examination.
13. To allow Macao permanent residents who are licensed Macao pharmacists, after obtaining the "licensed pharmacist's qualification certificate", to register in accordance with requirements under the Mainland's Provisional Mechanism for Licensed Pharmacists Registration Management (No. 156[2000] of the State Food and Drug Administration) and under other relevant documents.
14. To allow Macao permanent residents to apply for registration as Mainland practising pharmacists in accordance with the relevant Mainland's regulations.
15. To allow Macao service suppliers to provide, in the mode of cross-border supply, services classified under this sector or sub-sector in the Mainland.
16. To allow contractual service providers employed by Macao service suppliers, in the mode of movement of natural persons, to provide services under this sector or sub-sector in the Mainland.
